XL-800 DIRECT DRIVE CHAIN SAW

- Most powerful XL saw ... cuts 15" hardwood in 10 seconds — 16" softwood in 8 seconds — fells trees up to 5' in diameter.
- Double fuel capacity and double oil capacity for longer sustained cutting between refuelings.
- Weighs only 14½ pounds.*
- Bigger engine displacement — new design utilizes fewer parts.
- Automatic chain oiling, for longer bar, chain and sprocket life.
- All well-known professional Homelite features including flush-cut or wrap-around handles — straight bars from 12" to 36", plunge-cut bow, clearing and utility bars.

*Less bar and chain. Saw, complete with bar and chain, weighs approximately 16½ pounds.
